# Completed Action Items

---

HSPD-12 doesn't apply to contractors

Graded approach has allowed BNL to initiate a process to get sensitive country foreign nationals on-site before an indices clearance is completed

- Visit < 2 weeks
- 473 processed as a visit not an assignment
- Request for Foreign National Access Prior to Indices Completion form must be approved by host and department chair, submitted
- CI Officer will conduct an initial background check on the individual
- Access limited to open areas and PPAs designated as non-sensitive
- Open research
- Immigration status

# Action Items Being Addressed

---

- Remote Users: ITD working on consistent policy between FVA and ITD
- Computer Accreditation: still under development
- Site Access & Science Questionnaire: project has been started

# Action Items Not Addressed To-Date

---

- Request visitor network be installed at STAR and PHENIX
- Account management through PeopleSoft
